## INTRODUCTION

# TRULY ENGINEERED.

With a passion for innovation, precision, and client satisfaction, we have steadily built a reputation as a reliable and dynamic force in the industry.

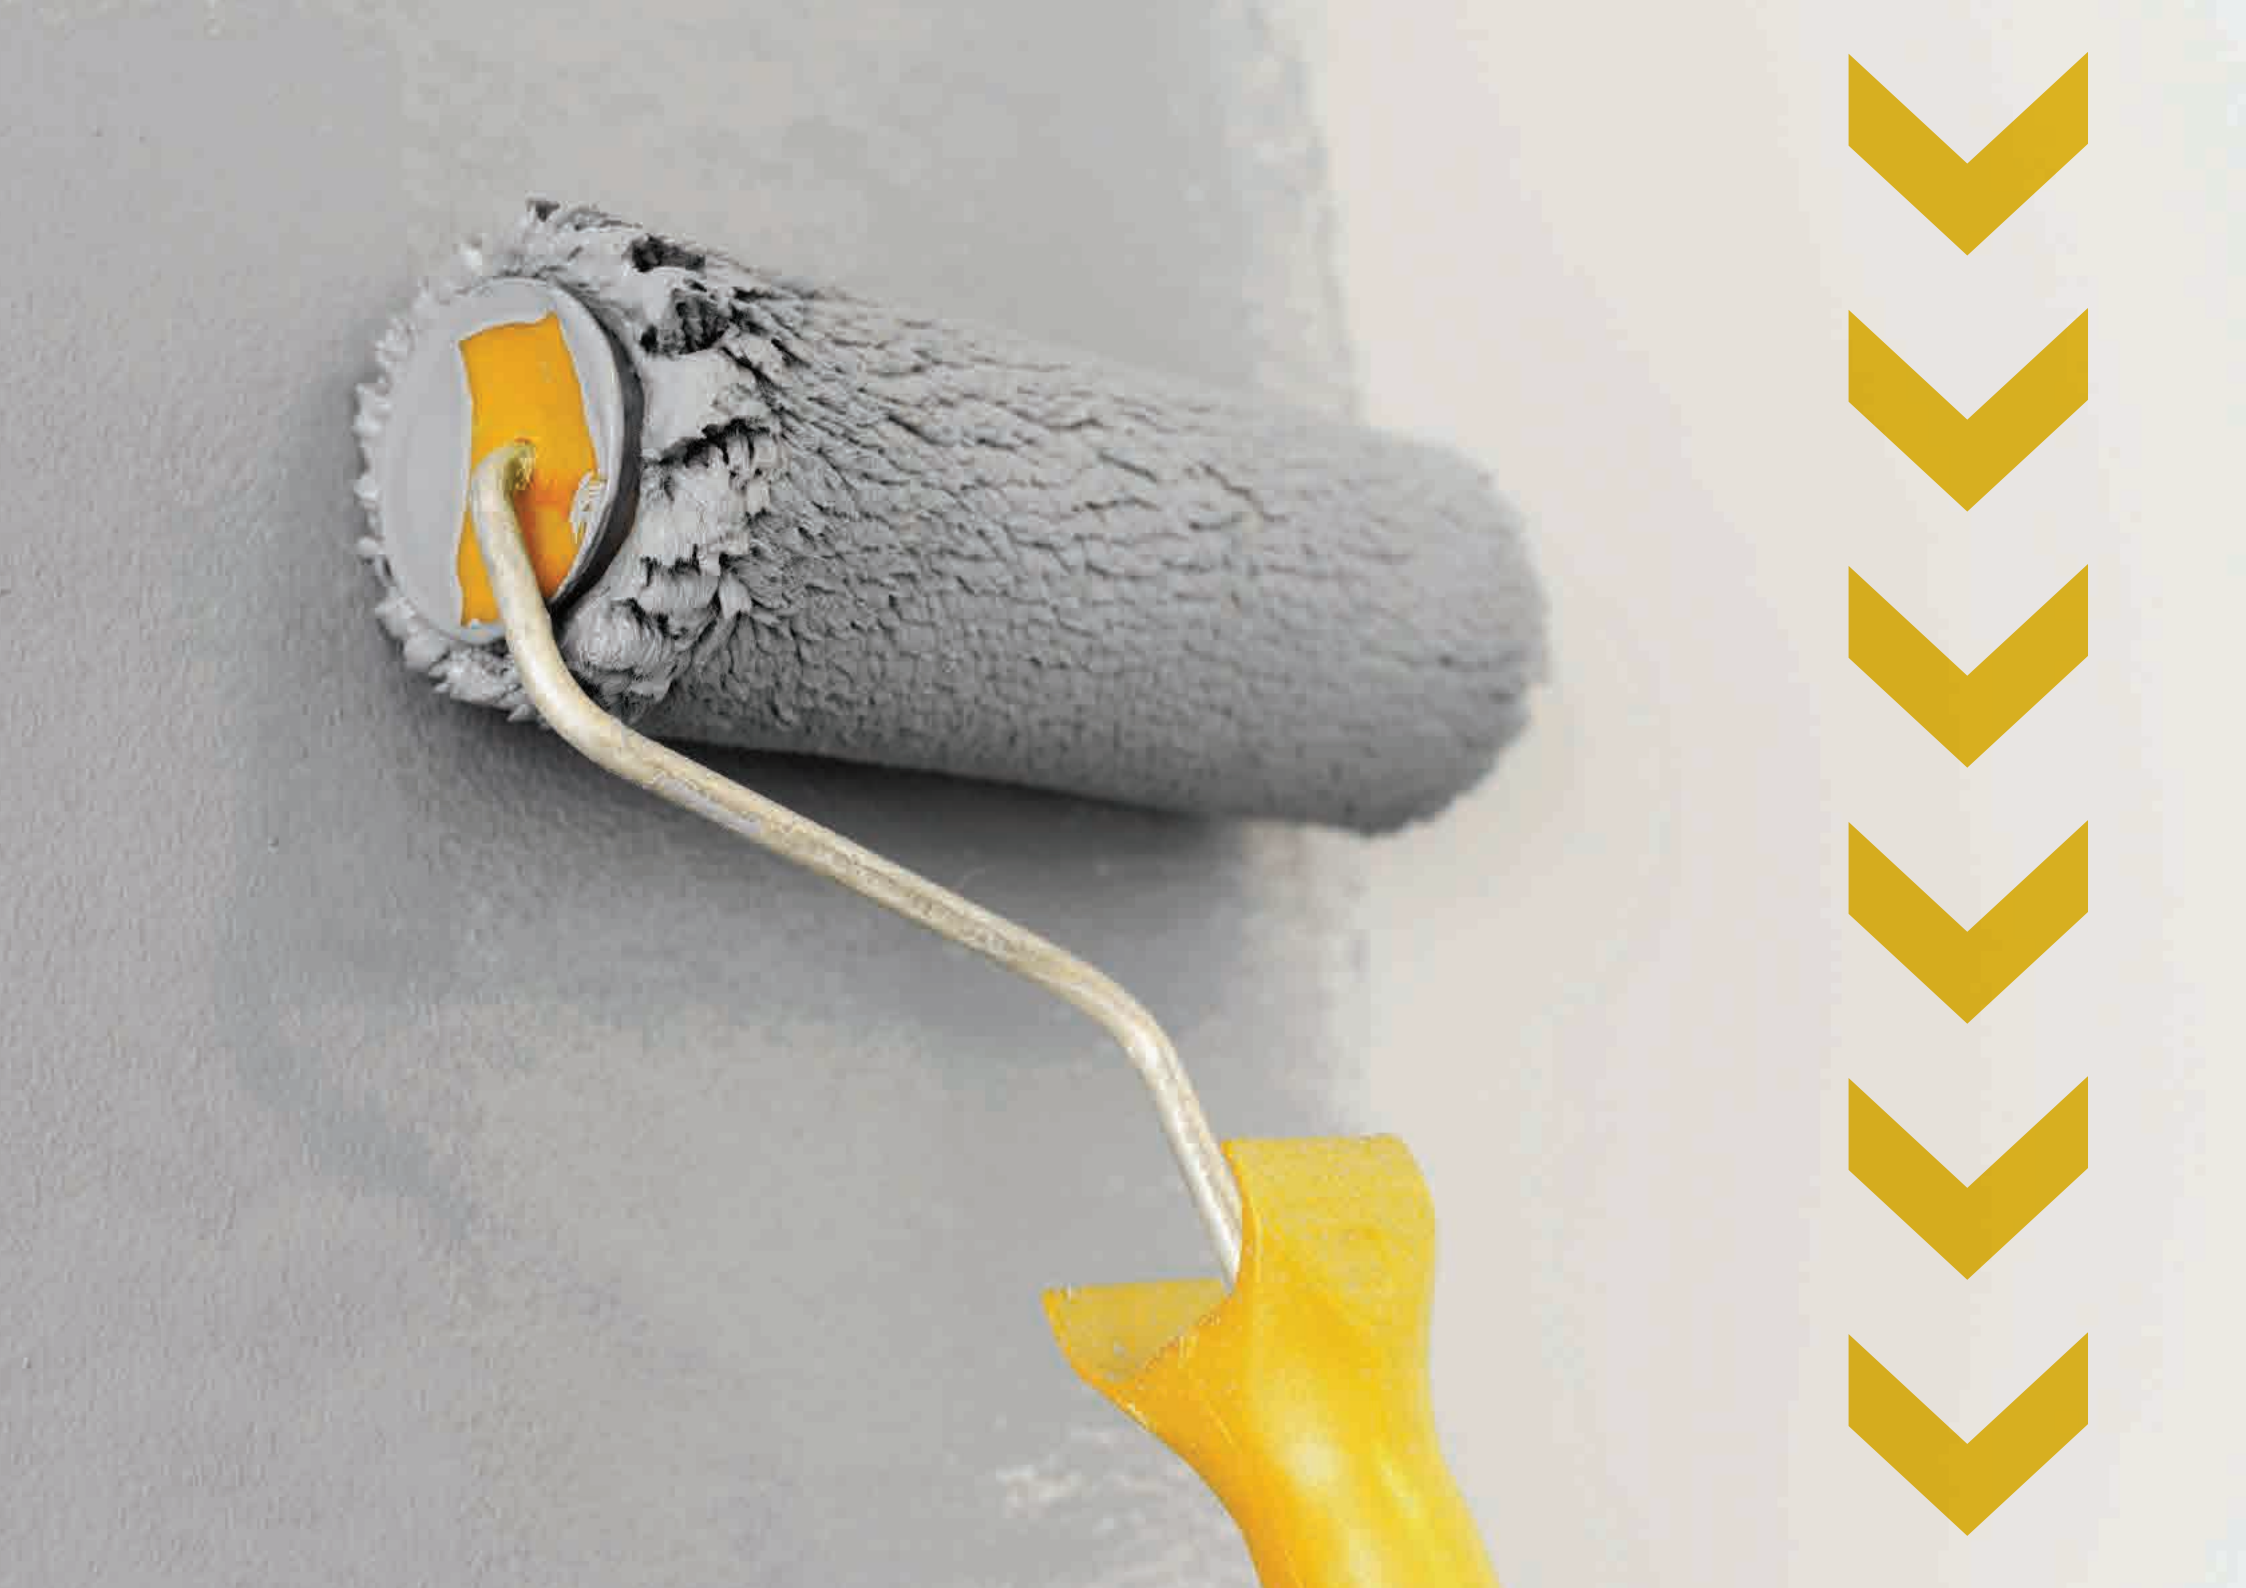

## OUR STORY

Founded by M.K Kekana in 2015, Digkati is South African construction company truly engineered with innovation.

Digkati prides itself in its engineering expertise and capability to carry out projects on a variety of scales.

*Let's build together.  
Let's work together.*

## WHO WE ARE

*Constructing a better tomorrow today.*

### WHAT WE TO DO

Digkati inspires, creates long-term opportunities, serves quality to high-end customers.

We have made a name in the construction industry by maximizing the well-being and productivity of our teams and clients. We build work organizations of highly skilled and dedicated teams to help the business deliver world-class products and services.

### OUR MISSION

To develop, build and service South Africa's requirements for better living, working and traveling conditions in order to improve the quality of life for all.

Digkati is dedicated to maintaining professional standards within the Civil Engineering Industry. We undertake general building projects with a commitment to quality craftsmanship, bringing your ideas to life with attention to detail and precision.

## OUR SERVICES

# OUR EXPERTISE

Digkati is dedicated to delivering high-quality construction solutions that combine innovation, precision, and professionalism.

By leveraging our specialized expertise, we ensure every project is tailored to meet client needs while maintaining a competitive edge in the industry.

Our focus is on creating functional, durable, and sustainable structures that enhance the lives of the people who live and work in them.

*Construction services that empower your vision.*

## GENERAL BUILDING

We provide complete building solutions, from foundations to finishing, ensuring quality workmanship & adherence to safety & industry standards.

## CIVIL WORKS

Our civil engineering services include roadworks, drainage systems, earthworks, & infrastructure development, designed to support long-term growth & efficiency.

## WATER PROOFING

We specialize in waterproofing solutions that protect structures from leaks, dampness, & water damage, extending the lifespan of your investment.

## PAINTING

Our painting services deliver durable finishes with professional techniques, enhancing both the aesthetics & protection of your property.

## FENCING INSTALLATION

We install strong, secure, & durable fencing systems customized to meet security, privacy, & design preferences for residential, commercial, & industrial spaces.

## YOUR BENEFITS

*Your vision,  
our foundation.*

### INNOVATIVE

We blend creativity and functionality to create crafts that resonate with your vision while adhering to practicality and aesthetic appeal.

### QUALITY

We offer expert guidance and consultation to address a variety of construction-related challenges, helping you make informed decisions.

### AFFORDABLE

We deliver the best possible service and solution that also resonate with your budget and needs, we focus on priorities.

## OUR CLIENTS

# 01

The Council for Scientific and Industrial Research (CSIR) is a leading scientific and technology research organization in South Africa. Established by an Act of Parliament in 1945, its purpose is to foster scientific and industrial development to improve the quality of life for all South Africans.

*Raising the standards  
of construction.*

# 02

The South African Revenue Service (SARS) is the national tax-collecting authority of the South African government. As an autonomous agency, its primary responsibilities are to administer the country's tax and customs system and ensure optimal compliance with related legislation.
